

Contagion Exposure Template Setup Form

NextGen EHR supports documentation of contagion risk in the Contagion Exposure template. The Contagion Exposure template enables your practice to view and document details of a contagion exposure risk for a patient. If you would like TSI Healthcare to set up the Contagion Exposure template for your practice, please complete the below form.

Complete Practice Information:

Name of Practice: _____ Phone: _____
Contact Person: _____ Email: _____

Description	Price (\$)	Quantity	Subtotal
Contagion Exposure Template • Includes set up and training	\$225/hour	1	\$
Subtotal			\$

Select Payment Method:

TSI Healthcare may deduct hours from my current hours ledger. If no hours are available, please:

- I'll Pay by Check** – An invoice with actual amount, including sales tax, will be sent to practice within two (2) business days.
- Charge my Credit Card** – The card listed below will be charged for the amount listed above, plus any applicable sales tax. A paid invoice and receipt will be sent to practice within two (2) business days.

Name on Card: _____ Card Number: _____

Card Type: American Express Discover Mastercard Visa Expiration Date: _____ Security Code: _____

Card Billing Address: _____

Signature: _____ Date: _____

I hereby authorize TSI Healthcare to charge my card for the above stated amount, plus tax, and agree to abide by card issuer agreement.

Return completed forms to helpdesk@tsihealthcare.com
